## Value Added Equipment & Services

We will provide, at no additional cost – the following:

- (A) Detailed Device Location Drawings – you supply us with an AutoCAD Facility Drawing and we will locate the equipment, show cable routing and electrical requirements.
- (B) AutoCAD Point-to-Point Wiring Schematic – includes grounding detail and wire coloring with cable numbers landed on each piece of equipment.
- (C) Unlimited Telephone Support until you are up and running; includes home and cell phone numbers to Two (2) Technicians.
- (D) All Low Voltage Cabling is included at no additional cost
- (E) Mounting Hardware, Wire-Nuts, Wire-Ties – everything necessary to install this system is included.
- (F) Five Year Warranty on Parts
- (G) Software Updates as they become available. EntraPASS is an Award-Winning Access Control Software; we've been installing EntraPASS since DOS. We have it in 7 Federal Penitentiaries, Alcoa Aluminum (Indiana), R.R. Donnelley (Indiana), Cutrale Citrus (Florida's Premier Orange Juice Manufacturing), East Coast Health Club (New Jersey), Caesars Casino (Lake Tahoe), Ferrera Pan Candies (Chicago) – to name a few...
